

Parish Cllr. Adele Sharp

Written Statement

I have lived my whole life in Staplehurst, and although I love to travel, I always return home; to Staplehurst. I have worked in insurance and banking and have currently been teaching for thirteen years. As a councillor I enjoy helping our community and want to see Staplehurst flourish with suitable amenities, without overdevelopment. Staplehurst has a great community atmosphere, being town sized but keeping its Village feel and ethics. I believe that it's important to ensure that our community's best interests are kept in mind when facing the future whether it is issues about public toilets, education or housing plans.
