

Staplehurst Parish Council

PARISH COUNCILLOR ANI MARTIN

WRITTEN STATEMENT

I have lived in Staplehurst since 2014 and have two sons living in nearby villages with their families. I am a very hands-on Grannie with my four beautiful grandchildren.

My whole working life has been spent in Education, teaching in schools in Norfolk, Kent and Medway Unitary Authority, ultimately becoming a primary school Head Teacher.

Since retiring, I have fulfilled several voluntary roles in local organisations, including The Arts Society and U3A. My interests include painting, gardening, music and writing.

In my role as Parish Councillor, I hope to be able to make a positive contribution to Staplehurst and our wonderful community.
