

Staplehurst Summer Play Scheme

The Staplehurst summer play scheme takes place at Staplehurst School over three weeks. It is registered with Ofsted who in 2018 carried out an inspection of the scheme and awarded it an overall GOOD rating, which reflects very well on the hard work and high standards of Play Place who deliver the scheme for the Parish Council. You can read the published Ofsted report on the Ofsted website at <https://reports.beta.ofsted.gov.uk/provider/16/EY536061>.

Play Scheme 2020 - It is with much regret that the difficult decision has been taken not to hold the summer play scheme this year. In the current circumstances, the Parish Council and Play Place, who run the scheme, felt that the challenge of ensuring the safety of everyone involved (and their families) would be too great. We hope to hold a summer scheme next year.

In the meantime, with Play Place, we shall keep the situation under review to see whether a 'mini-scheme' can be held between now and then
