

Staplehurst Parish Council

PARISH COUNCILLOR BRADLEY GARTAN

WRITTEN STATEMENT

I work in the housing sector, and come from a construction background. I am currently running a large development in London.

I moved to Staplehurst from London in April 2016.

I am married with no children, and I have two dogs.

Where I lived previously in London (near a local nature reserve) I helped the neighbourhood community and was key in arranging events and helping with any adhoc duties.

I feel honoured that I have been offered the opportunity to be co-opted onto the parish council.

I am very passionate about the village that we live in, and I look forward to being a very proactive councillor.

I look forward to help forming the future changes in Staplehurst.
