Vaccine Passport Phishing Email

It had to happen. I have been made aware of phishing emails being received impersonating the NHS, in order to apply for a digital vaccine passport. They ask you to click on a link, which takes you to a fake NHS website that asks for payment details. This is a SCAM.

Vaccination status is free and can be applied for via the NHS app or website. The below is the correct .GOV website. Just copy and paste this into your web browser to apply.

Demonstrating your COVID-19 vaccination status - GOV.UK (www.gov.uk)

If you receive any suspicious emails then please forward to report@phishing.gov.uk

If you believe you may have fallen victim to this scam, then contact your bank immediately and then report it to Action Fraud at www.actionfraud.police.uk or calling 0300 123 2040

Preventing fraud

Together, let's stop scammers.

The Coronavirus Digital Passport is documentation proving that you have been vaccinated against COVID-19 or you recently recovered from COVID-19.

The passport will allow you to travel safely and freely around the world without having to self-isolate.

Who is eligible?
UK citizens and their families, and legal residents.

How do I get the certificate?
You can get your Digital Passport via NHS portal by clicking the button below:

[Get Digital Passport]

How does it work?
Each issuing body has been allocated a digital signature, which is

SCAM!

Kent Police

Contacting Kent Police
Report a non-urgent crime online **www.kent.police.uk/report**
Talk to us on LiveChat – available 24/7 **www.kent.police.uk/contact**
In an emergency, if crime is in progress or life is in danger call **999**
If deaf or speech impaired, text '**police**' and your message to **60066**

Would you like a presentation?

As a follow up to my recent message regrading booking a presentation for any groups you may belong to or know of. I have had quite a few requests. If you would like a presentation, then please contact me, so that I can ensure that you are booked in and confirmed. The presentation can be delivered either online via Teams or hopefully with the lifting of restrictions I can attend your venue in person. My email address is Stephen.kelly@kent.police.uk

#HappyCaturday – "Bubbles Says."

Here is another piece of advice from Bubbles that we issued via Twitter recently as part of our campaign – If you receive a suspicious text, then do not click on any links and forward to 7726 (Spam) & the nice humans will deal with it. A purrrrrfect result.

Protect Your Devices

Don't make life easier for cyber criminals. Protect your devices from the latest threats by installing the latest software and app updates.

There is an Action Fraud web page, with information on how to create strong passwords, how to save your password, set up two factor authentications, updating your devices and how to turn on backups.

The below will take you to the correct web page. Just copy and paste this into your web browser.
