

# Staplehurst Parish Council

## **PARISH COUNCILLOR RICHARD ASH**

### **WRITTEN STATEMENT**

I Moved to Staplehurst with my partner in December 2021. Hoping I can help to improve various aspects of the community through the Parish Council.

I worked for one of the main UK Banks for 35 years including a year working on setting up the banking for numerous government departments in Whitehall.

I have a keen interest in planning and ecology and I attended the Parish Council planning meetings for 3 months ahead of becoming a Councillor.
