

## JUBILEE FIELD MANAGEMENT COMMITTEE

MINUTES of the meeting of the Jubilee Field Management Committee held on Thursday 29<sup>th</sup> March 2012 at The Jubilee Pavilion, Headcorn Road, Staplehurst commencing at 8.30pm.

1. **Present:** Nigel Best, Mike Hooker and Ian Humphrey. Alison Hooker was in attendance to take minutes.
2. **Apologies:** Apologies were received from John Perry, Paul Butcher and Mike Lock.

As low in attendance numbers it was agreed that no formal meeting would be held however the following issues were raised:

- IH asked that all football activity be moved to Diagrif to allow pitches to be restored. However MH had been notified that the area at Diagrif was covered in holes and ruts which could cause an injury. It was therefore suggested that for the current time training continue at Jubilee until the presentation on 20<sup>th</sup> May.
- The issue with the water bill had been resolved however it was a problem with the urinal cistern and therefore Jubilee's responsibility. The water bill therefore needs to be paid at a cost of approximately £995 which would cover both water bills expected. All other payments were up to date but was awaiting an invoice for mower servicing.
- The presentation on the 20<sup>th</sup> would include U16s/U18s v U23s for the Mark Kingsford game and inter club matches for the junior section. It was suggested that both Junior and Senior trophy presentations would be made on this day. This would be agreed at the next SMUFC meeting.
- Collection of clothes – the next two possible collection dates would be requested and a collection would then be booked in – could possibly leave it until after 20<sup>th</sup> May.
- Banners – Any interested companies should send art work to Iden Signs directly.

The next meeting of the Committee would be 31<sup>st</sup> May 2012 commencing at 8pm.

There being no further business the meeting closed at 9.00pm.
