Staplehurst Parish Council GDPR Subject Access Request Policy

STAPLEHURST PARISH COUNCIL SUBJECT ACCESS REQUEST POLICY

1. Scope

All personal data processed by Staplehurst Parish Council is within the scope of this procedure. This procedure excludes personal data that is asked for as a matter of routine by data subjects.

Data subjects are entitled to ask

- whether Staplehurst Parish Council is processing any personal data about that individual and, if so, to be given:
 - a description of the personal data;
 - the purposes for which it is being processed; and,
 - details of who will be allowed to see the personal data.
- to be given a copy of the information and to be told about the sources from which Staplehurst Parish Council derived the information; and
- where appropriate, the logic involved in any automated decisions relating to them.

2. Responsibilities

GDPR-info Ltd is responsible for the application and effective working of this procedure and for reporting to the Parish Clerk on Subject Access Requests (SARs).

GDPR-info Ltd is responsible for handling all SARs.

3. Procedure

- 3.1 Subject Access Requests must be made using the web page <https://gdpr-info.com/data-protection-contact-form/>.
- 3.2 The data subject must provide evidence as to identity.
- 3.3 The data subject must identify the data that is being requested and where it is being held and this information must be shown on the SAR application form. Note that the data subject is entitled to ask for all data that Staplehurst Parish Council holds, without specifying that data.
- 3.4 The date on which the identification checks are completed and the specification of the data sought must be recorded; Staplehurst Parish Council has one month from this date to provide the requested information. There are no circumstances in which an extension to that one month will be provided and failure to provide the requested information within that one month is a breach of the GDPR.
- 3.5 The SAR application is immediately forwarded to GDPR-info Ltd, who will ensure that the requested data is collected within the time frame.

Collection will entail either:

- 3.5.1 collecting the data specified by the data subject, or
